Student worker highlight

Say hello to Aynur

Major: Nursing with a minor in Statistics

Year at KSU: 3rd, graduating 2022

After graduating, what would you like to do: My whole professional life I've served in healthcare and I'd like to continue that

Why did you want to become a library assistant: I was looking for an on campus job and I like the library because students spend a lot of time studying here. I like being able to help them

Do you have a favorite author or book? My favorite author is Dostoyevsky, and favorite book is "Crime and Punishment"

If you could give any advice to KSU Students what would it be: Even if it feels hard, keep studying, don't procrastinate and enjoy college life.
